CATALOGUE

ECUADORIAN PRODUCTS

We feed the
world with
the best of
Ecuador

Our mission Statement

Delightful, high-quality snacks for

Every family, at any moment.

Our commitment to the environment

Our snack factory operates with 100% electric production lines that generate zero CO2 emissions. Through these sustainable practices, we are dedicated to reducing our environmental footprint and contributing to the global fight against climate change.

ABOUT US

We pride ourselves on sourcing our main ingredients from local Ecuadorian farmers, ensuring our quality products and supporting the local community.

We produce with clean non-fossil energy

We take care of the environment with social responsibility practices
